INVENTORY OF RECREATIONAL FACILITIES

BACKGROUND

In May of 1995, the Delta Protection Commission and the Department of Boating and Waterways entered into an agreement with the Department of Parks and Recreation to study recreation uses of the Delta, focusing on boating and fishing. Department of Water Resources contributed in-kind services and staff hours. The purpose of the study is to provide current recreational use figures for the entire Legal Delta for use by the Commission and by other federal, State, regional and local agencies in their planning processes.

A Recreation Oversight Subcommittee was appointed by the Commission. Members include Commissioner Don Nottoli, Supervisor, Sacramento County, as Chair; Commissioner Bill Curry, Department of Boating and Waterways; Commissioner Donald Murphy, Director, Department of Parks and Recreation; a staff representative for Department of Water Resources; Warden Mervin Hee for Department of Fish and Game; and citizen members: Sally Shanks, Staten Island, San Joaquin County; Chris Lauritzen, Harbormaster, Lauritzen Yacht Harbor, Antioch; Steve Woodard, Herman and Helen's Marina, San Joaquin County; and Gil Labrie, Labrie Architects, Sacramento County. The group met several times to review the questionnaires and help oversee the survey process, and to review the survey results.

As part of the overall work program prepared by the Department of Parks and Recreation, the Delta Protection Commission staff prepared an inventory of recreational facilities. The task is described "Identify and inventory existing recreation facilities and other recreation opportunities... Identify and document current recreation opportunities in the Delta: inventory and map existing parks, fishing access locations, and other public recreation lands/facilities; inventory and map hunting clubs, yachting clubs, and other private recreational opportunities; inventory and map private property used for informal recreation; and inventory significant historical and cultural resources." The inventory focuses on sites in the Primary Zone, with some sites in the Secondary Zone where those sites take advantage of the waterways and resources of the Primary Zone. A map of the Legal Delta, Primary Zone, and Secondary Zone follows.

PREPARATION OF INVENTORY

The inventory was prepared by gathering and reviewing a number of written sources, and verified through a site visit to each site. The site visits were completed in October of 1995; new information has been added since that time to update the inventory. Each site has an inventory sheet and each site was mapped on USGS quad maps of the Delta. The information was gathered using a Department of Boating and Waterways inventory of marinas, and numerous other sources including marina listings, magazines, guidebooks,

maps, local planning reports and documents, newspaper articles, and other sources (see list of references at the end of the report).

The sites have been mapped in the Commission's Geographic Information System by Teale Data Center, the Commission's mapping consultant. Preliminary versions of the listings and maps were reviewed by local government planning and recreation departments, the Oversight Subcommittee, and the Recreation Citizens Advisory Committee.

PRESENTATION OF THE INVENTORY

The information in the inventory is presented two ways: county by county, and by Type of Recreational Facility. In each presentation the information is presented three ways. First, there is a written description of the facilities, followed by a chart of the inventory information, and, finally, a map illustrating the geographic distribution of the recreational facilities.

The numbering system is organized by County: Solano County begins with #1; Yolo County begins with #50; Sacramento County begins with #100; San Joaquin County begins with #200; and Contra Costa County begins with #300.

The charts presenting County-by-County information are organized by **type of facility** starting with marinas, and followed by, launch ramps, yacht clubs, fishing access, parks, preserves, and lastly other types of facilities.

The charts presenting facilities by type, are organized by **County** starting with Solano County, and followed by Yolo, Sacramento, San Joaquin, and Contra Costa Counties.

The mapped information is available for further review on the Commission's home page on the Internet (<http://www.delta.ca.gov>).

DESCRIPTION OF RECREATIONAL FACILITIES COUNTY BY COUNTY

Solano County

Solano County's Delta lands lie on the western edge of the Legal Delta covering about 86,000 acres, or approximately 17 percent of the Primary Zone. The land includes property to the east and the west of the Sacramento Deep Water Ship Channel, and to the west of the western levee of the Yolo Bypass. Islands and tracts in the Primary Zone include: Hastings Tract, Prospect Island, and Ryer Island. Waterways in the County include Barker Slough, Cache Slough, Hastings Cut, Hoss Slough, Lindsey Slough, Sacramento River, and the Sacramento Deep Water Ship Channel. The City of Rio Vista is largely outside the Legal Delta, with a small area in the Primary Zone.

Solano County has three marinas, all of which are privately owned. Two of the marinas qualify as "medium" marinas and the last is a "large" marina. Arrowhead Harbor, on Prospect Island by Miner Slough, has 76 berths, is a "medium" marina (between 50 to 200 berths). Arrowhead also has a launch ramp and picnic facilities. Snug Harbor Resort on Ryer Island by Steamboat Slough is another "medium" marina with 100 berths, a launch ramp, 88 camping sites, picnicking facilities, and a fishing pier. Both of these marinas are within the Primary Zone of the Delta. The County's "large" marina is Delta Marina located in Rio Vista on the Sacramento River out of the legal Delta, but directly adjacent to the waters of the Primary Zone. Delta Marina includes 275 berths, a launch ramp, and 25 RV camping sites.

There are five launching facilities within Solano County. Three ramps are in the private marinas (see above). Two public ramps are located at Rio Vista Fishing Access in Rio Vista on the Sacramento River and at Sandy Beach Park south of Rio Vista also on the Sacramento River. All the public ramps are outside the Legal Delta.

Camping in Solano County is provided at three locations including: Delta Marina, with 25 camping sites; Snug Harbor Resort, with 88 camping sites; and Sandy Beach Park, with 42 camping sites. Both tent and RV sites are listed as camping sites.

Picnic areas are located at several sites in Solano County including: Arrowhead Harbor, Snug Harbor Resort, Rio Vista Fishing Access, Rio Vista Riverbank Fishing Access, Sandy Beach Park, and the Western Railway Museum.

Formal fishing access is provided at Snug Harbor Resort, which is privately owned; at Sandy Beach Park which is a County Regional Park with camp sites, a trail, picnic sites, and a launch ramp; and at the two fishing sites in Rio Vista: Rio Vista Public Fishing Access and the Rio Vista Riverbank Fishing Access.

Trails are located at Sandy Beach Park and at the Nature Conservancy's Jepson Prairie Preserve located on Calhoun Cut near Barker Slough.

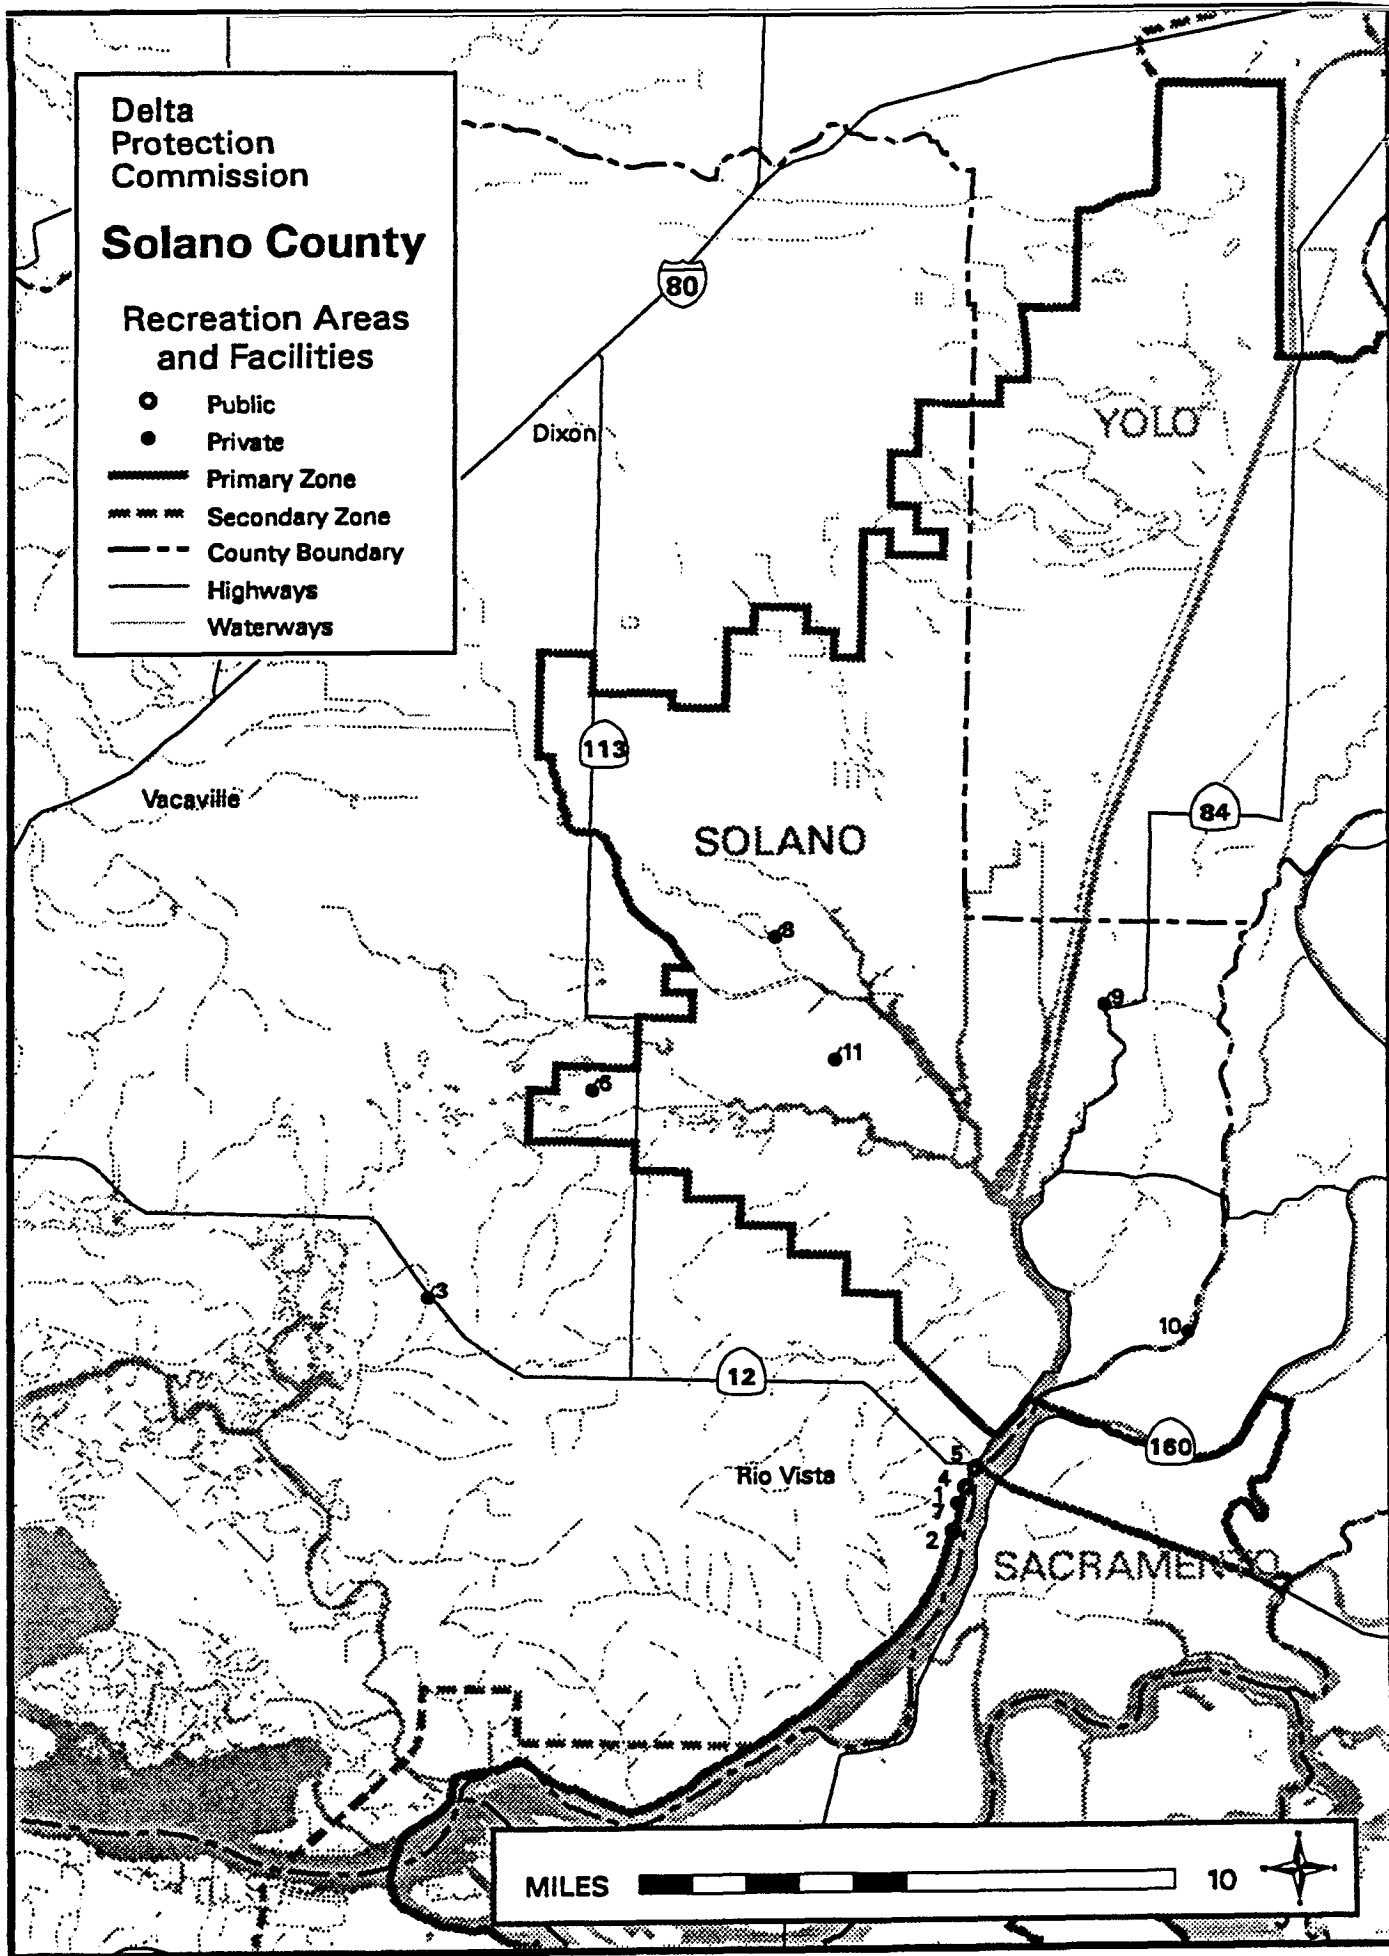

There are two private Yacht Clubs in Solano County. One is located outside the boundaries of the Legal Delta in Rio Vista; one is in the Primary Zone on Cache Slough.

The one public park in the Delta area is Sandy Beach Park in Rio Vista on the Sacramento River. This park has facilities for 42 campsites, a fishing pier, a scenic trail, picnicking sites, and a launch ramp. The Park is outside the Legal Delta, adjacent to the waters of the Primary Zone.

Two other facilities exist in Solano County. One is the Nature Conservancy's Jepson Prairie Preserve, which has a trail through its 1,566 acres of vernal pools and grasslands. The other facility is the Western Railway Museum located at the Rio Vista Junction run by a non-profit group. This facility offers rail excursions through the Jepson Prairie in wildflower season. The facility also has a museum and picnicking facilities.

Yolo County

Yolo County lies in the northernmost portion of the Delta and makes up about 15 percent of the Primary Zone, approximately 75,000 acres. The County lands are bisected by the Sacramento Deep Water Ship Channel, which connects the Sacramento River near Rio Vista to the Port of Sacramento in West Sacramento. The lands west of the ship channel make up much of the Yolo Bypass, a federal floodway. The lands east of the ship channel include: Merritt Island, Little Holland Tract, and Liberty Island. The waterways in the County include Elk Slough, the Sacramento Deep Water Ship Channel, the Sacramento River, and Winchester Lake. The major city outside of the Legal Delta in Yolo County is West Sacramento. The only community in the Primary Zone is Clarksburg.

Five marinas exist in Yolo County, three of them are "medium" marinas, containing 50 to 200 berths, and two of them are "small" marinas, marinas with less than 50 berths. All of these marinas are privately owned. The three "medium" marinas are located in the Secondary Zone of the Delta and include: the Four Seasons Marina, Sherwood Harbor, and the Sacramento Yacht Club, all are located in West Sacramento on the Sacramento River. The two small marinas located in the Primary Zone of the Delta are Clarksburg Marina and Stan's Yolo Marina, both located in Clarksburg on the Sacramento River.

There are five launch facilities in Yolo County. Three of the ramps are privately owned by marinas or clubs. Two launch ramps are publicly owned and operated: Clarksburg Fishing Access on Merritt Island on the Sacramento River and Broderick Boat Ramp in West Sacramento on the Sacramento River.

One facility provides camping sites: the Sherwood Harbor Marina in West Sacramento on the Sacramento River. This facility has 39 camping sites, 85 berths, and areas designated for picnicking.

Formal fishing access is provided at Clarksburg Fishing Access on Merritt Island on the Sacramento River.

There is one yacht club, located in West Sacramento. In addition, at the Port of Sacramento there is a private sailing club and a private rowing club. All these sites are in the Secondary Zone.

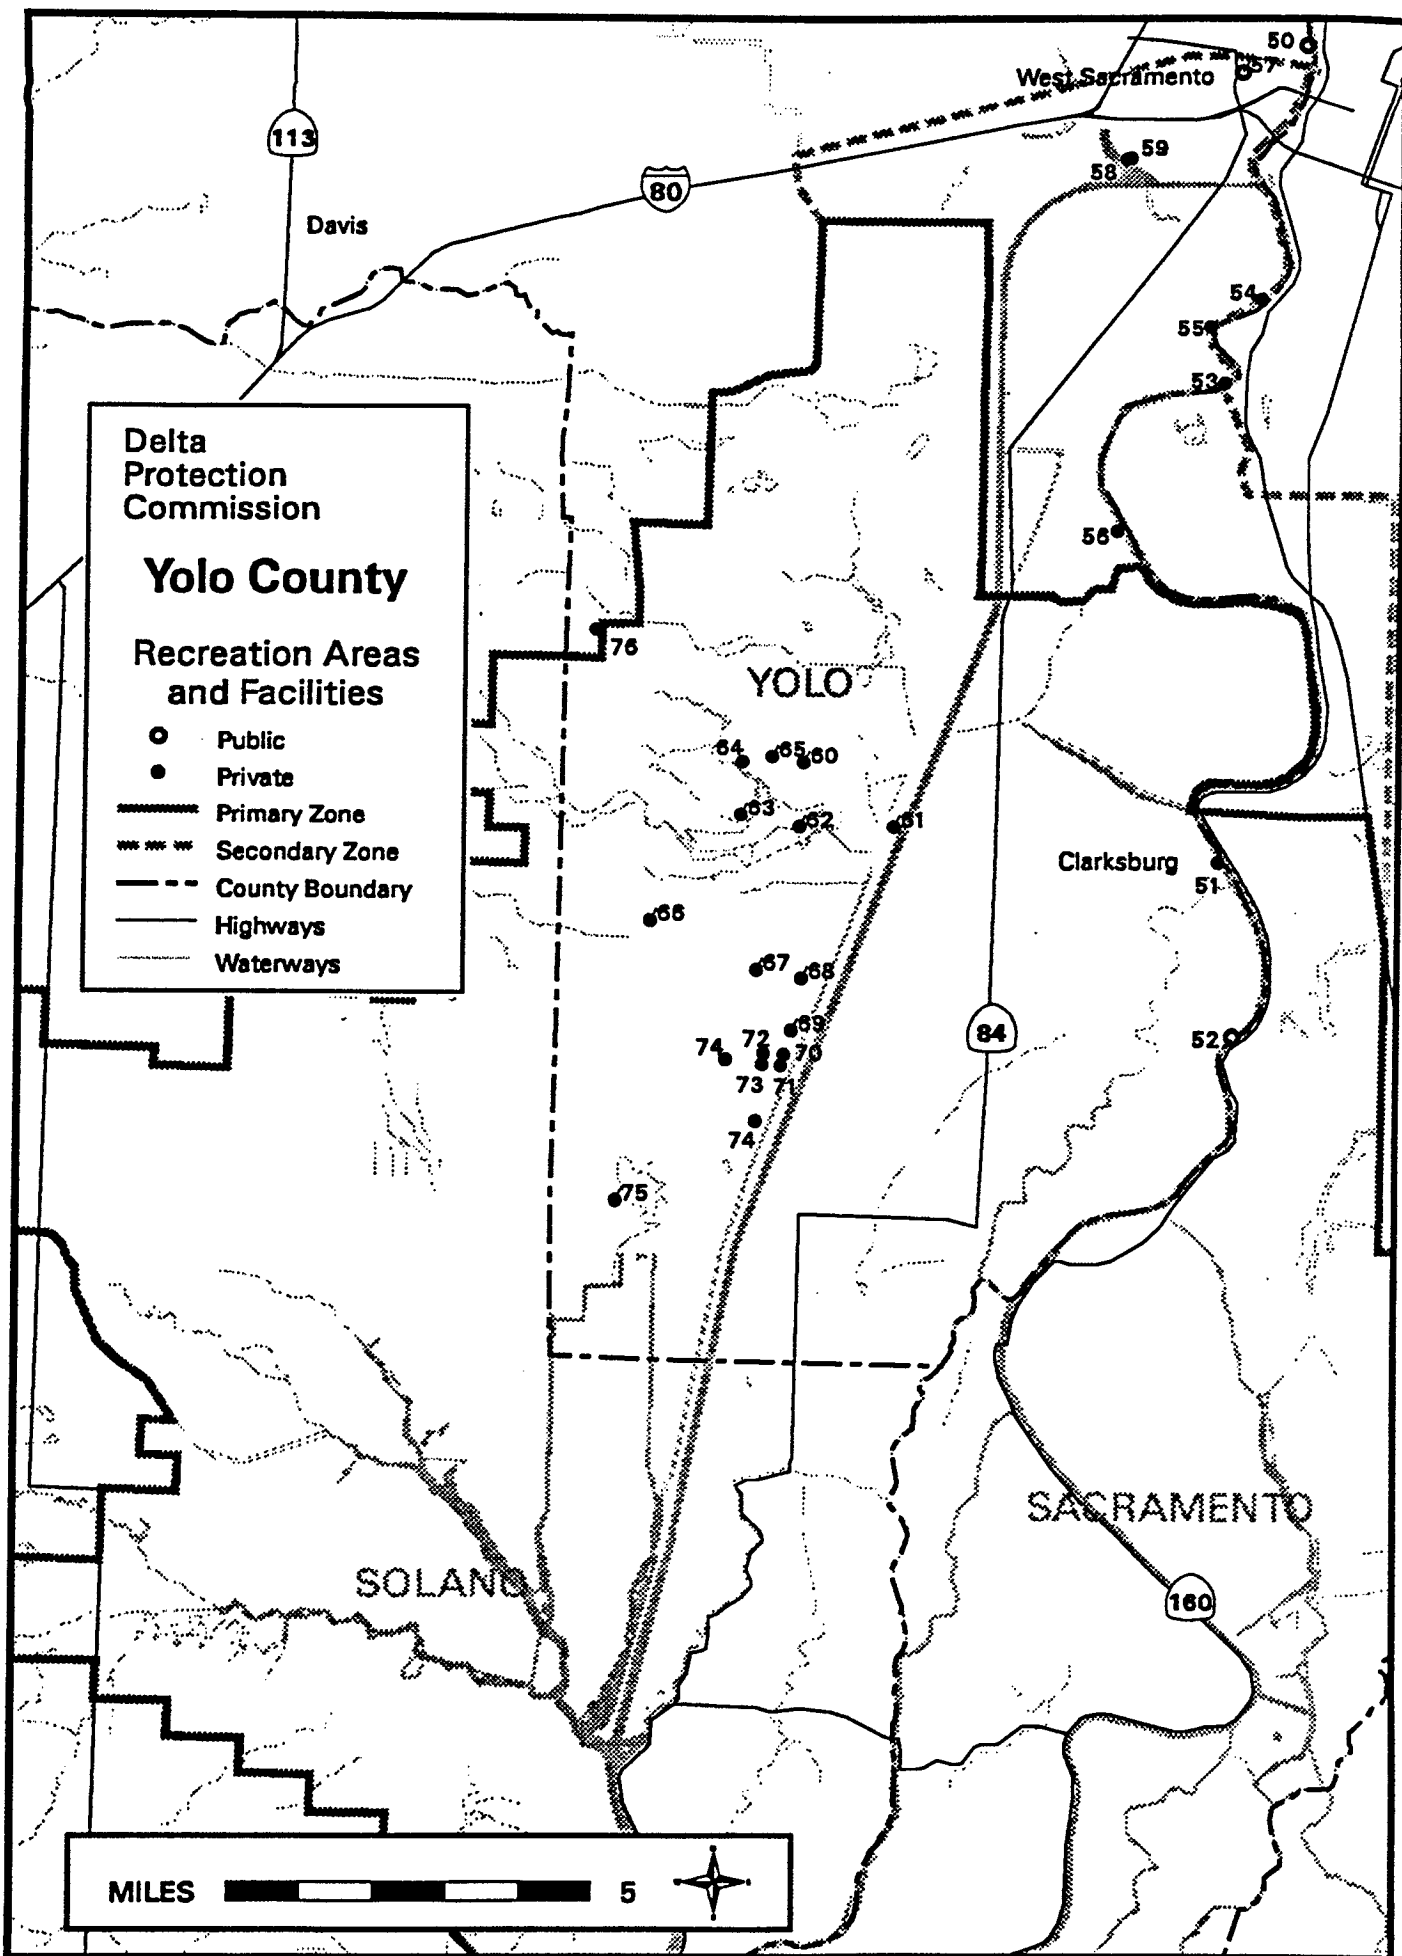

There are a large number of private duck clubs in Yolo County, all located in the Yolo Bypass. The clubs vary greatly in size.

One other facility in Yolo County is the Yolo Short Line Railroad which connects Woodland to Clarksburg, and features excursion trips to and through the Primary and Secondary Zones of the Delta.

Sacramento County

Sacramento County is located in the northeastern and western area of the Delta, from I-5, southwest to the confluence of the Sacramento and San Joaquin Rivers, covering about 95,000 acres, approximately 19 percent of the Primary Zone. Additional County lands are in the Secondary Zone and outside the Legal Delta and provide access to the Delta waters. Islands and tracts in the Delta Primary Zone include: Pierson District, Sutter Island, Grand Island, McCormack Williamson Tract, Tyler Island, southern half of Brannan-Andrus Island, Twitchell Island, and Sherman Island. Brannan-Andrus Island north of Highway 12 is in the Secondary Zone. The State of California owns much of the land in the southernmost part of the County, including large portions of Sherman and Twitchell Islands, and Brannan Island State Recreation Area. Delta water areas include Georgiana Slough, the North Fork of the Mokelumne River, the Sacramento Deep Water Channel, the Sacramento River, the San Joaquin River, and the Sevenmile Slough. Cities and communities within the Delta include: Courtland, Hood, Locke, and Walnut Grove. The City of Isleton is located in the Secondary Zone.

Sacramento County is home to a variety of public and privately owned small, medium and large sized marinas. "Small" marinas contain 50 or fewer berths. There are 14 small marinas, all are privately owned, with a berth range of six to 47. Most are located in the Primary Zone of the Delta and grouped around the areas of Andrus Island, the City of Sacramento, and Walnut Grove.

Fourteen "medium" marinas exist in the County; all are privately owned. Medium marinas have between 50 and 200 berths. Those within Sacramento County are from 54 to 180 berths. These medium sized marinas are primarily found in the areas surrounding the City of Sacramento, Andrus Island, Sherman Island, Brannan Island, and Walnut Grove; most of these are located within the Primary Zone of the Delta. One is located outside the legal Delta boundaries, in the City of Sacramento, with access to the waters of the Primary Zone.

Seven "large" marinas are located in Sacramento County, each containing over 200 berths. All of these marinas are privately owned, except for the Sacramento Marina in the City of Sacramento, on the Sacramento River. The Sacramento Marina is one of the largest with 553 berths, a launch ramp, and a trail. Most of the "large" marinas are grouped on Andrus Island within the Primary Zone of the Delta.

There are a large number of launch ramps throughout Sacramento County, most of which are located in the Primary Zone, a few in the Secondary Zone and outside of the legal Delta. The ramps are clustered in the City of Sacramento, Andrus Island, Brannan Island, and Sherman Island. Many of the ramps are in privately owned marinas. Some of the ramps are located at public launch facilities, which also often include picnic sites, public trails, fishing access, and sometimes beach access and windsurfing sites. A very large

facility is located at Brannan Island State Recreation Area on Brannan Island on the Sacramento River. Brannan Island State Recreation Area also has 32 berths, 102 camping sites, picnic facilities, fishing access, public trail access and beach access.

Tent and RV camping sites are located in Sacramento County. Most of the camping sites are located in privately owned marinas. These camping sites are primarily on the Brannan Island, Andrus Island, and in the City of Sacramento. Brannan Island State Recreation Area, has extensive camping facilities, as well as a launch ramp. Several private marinas and resorts provide campsites. Delta Isle, on Andrus Island, has the largest number of camping sites, 212. This resort also includes 35 berths, picnic sites, and a fishing pier.

There are a large number of picnic areas provided throughout Sacramento County in both public and private facilities. All of the publicly owned launch ramp and fishing access sites provide picnicking sites.

Formal fishing access is provided at a few private marinas, and is generally provided at the publicly owned launch ramps, parks, and fishing areas. The County provides fishing access at several sites along the Sacramento River including the Cliffhouse Fishing Access and Georgiana Slough Access.

Trails in the Primary Zone are limited in number. Brannan Island State Recreation Area has numerous trails, and the Department of Parks and Recreation has converted the old railroad right-of-way behind Locke to a gravel trail. In the Secondary Zone, Cosumnes Preserve and Stone Lakes Wildlife Refuge trails, which allow wildlife observation. Additional trails are located in the City of Sacramento area including: Discovery Park; Garcia Bend Park; and Miller Park. The City has recently adopted a master plan to expand levee-top trails along the Sacramento and American Rivers.

Four Yacht Clubs are located in Sacramento County: two on the San Joaquin River, one on the Mokelumne, and one on Georgiana Slough. Three are located within the Primary Zone of the Delta and one in the Secondary Zone. All of these facilities are private.

The only State parks in the Delta are located in Sacramento County: Brannan Island State Recreation Area and Delta Meadows River Park, near Locke. There is also a private/public preserve, Cosumnes River Preserve, on the Cosumnes River and a federal wildlife refuge, Stone Lakes Wildlife Refuge, at Stone Lakes. The Refuges include lands owned by Sacramento County, the State, and Fish and Wildlife Service. All of these areas, except for parts of the Cosumnes River Preserve, are located within the Primary Zone of the Delta and all have trails, although the Refuge trails are open on a limited basis. The Cosumnes Preserve is rebuilding an on-site visitor facility.

Sherman Island Waterfowl Management Area at the southern end of Sherman Island is managed for public hunting and fishing from boats; there are no land facilities. This area is owned and managed by Department of Fish and Game, and is located in the Primary Zone.

The Sacramento River, from Rio Vista to the tip of Sherman Island, provides unique opportunities for windsurfing. Formal and informal facilities support wind-surfing providing sales and rental of equipment, physical access to the water, and camping sites for windsurfers. The windsurfer support sites in Sacramento County are located on Brannan and Sherman Islands in the Primary Zone.

All but one of the registered historic sites in the Primary Zone are located within Sacramento County. Walnut Grove sites include: Imperial Theater, Gauken Hall, the Japanese-American Historic District, the Chinese-American Historic District, the Commercial/ Residential Historic District, and Jean Harvie School (community center). Others historic sites in the County include: Rosebud Ranch near Hood, Chinese and Japanese Commercial Districts in Isleton, Delta Meadows (archeological site) near Locke, the Town of Locke, and the River Mansion on Grand Island. Many other historic sites are located in the City of Sacramento, outside the Legal Delta.

Contra Costa County

Contra Costa County is located in the southwestern portion of the Primary Zone and covers approximately 47,000 acres, about ten percent of the Primary Zone. Portions of the County are located within the Secondary Zone of the Delta and provide access to Primary Zone waters. Islands and tracts within the Primary Zone include: Browns Island (within the City of Pittsburg), Winter Island, Jersey Island, Bradford Island, Webb Tract, Holland Tract, Palm Tract, Orwood Tract, Knightsen area, and Coney Island. The areas in the Secondary Zone include: Bethel Island, Hotchkiss Tract, and Veale Tract. Water areas include: Big Break, partially owned by East Bay Regional Park District; Franks Tract (Department of Parks and Recreation), and Clifton Court Forebay (Department of Water Resources). Most of Jersey Island has been purchased by Ironhouse Sanitary District and is proposed to be used for disposal of treated wastewater and biosolids. A pending private project would use Webb Tract as a reservoir and much of Holland Tract as managed wetland and recreation (Delta Wetlands project). Major cities within the Secondary Zone include Antioch, Brentwood, Discovery Bay, Oakley, and Pittsburg. Within the Primary Zone are the communities of Knightsen and Bethel Island.

Contra Costa County has a large number of marinas, both public and private. Many marinas provide for other recreational activities such as camping, fishing, houseboat rentals, and picnic sites. "Small" marinas contain 50 or fewer berths. There are 19 small marinas within the Delta in Contra Costa County. They are located primarily in the Secondary Zone of the Delta in the Bethel Island and Hotchkiss Tract areas, and range in size from seven to 46 berths. All of these small marinas are privately owned and operated.

"Medium" marinas are those which have between 50 to 200 berths. Twelve medium sized marinas are located in the Secondary Zone of the Delta, again primarily in the Bethel Island area. The number of berths ranges from 52 to 160. All of these marinas are privately owned and operated.

"Large" marinas contain more than 200 berths. There are eight large marinas within the County, located in Pittsburg and Antioch in the Secondary Zone of the Delta. The large marinas range from 203 to 722 berths. Most of these marinas are privately owned. There are two large public marinas: the Antioch Marina with 285 berths and a public trail, fishing pier, and other public amenities; and the Pittsburg Marina with 722 berths and a boat ramp.

There are many launch facilities within Contra Costa County. Almost all of the ramps are located within marinas in the Secondary Zone of the Delta, primarily in the areas around Bethel Island and Hotchkiss Tract.

Camp sites are also found within the County in the Delta. Camping includes tent and RV camp sites. All of the identified camping sites are privately owned, and located within marinas. The number of camping sites range from about 2 to 500 sites per facility. Orwood Resort on Orwood Tract on the Old River has the largest number of camping sites, 500. The Resort also provides launch ramp, picnic area, and fishing access.

A limited number of picnic areas are provided at private marinas; there are a couple on Bethel Island, a couple on Orwood Tract, and a few in Antioch. Publicly owned picnic areas are provided at: Antioch Muni Boat Ramp in Antioch on the San Joaquin River; Antioch Regional Shoreline in Antioch on the Sacramento River; Riverview Park in Pittsburg on the Sacramento River; and Barbara Price Marina Park in Antioch on the Sacramento River.

Formal fishing access is provided at a few marinas and at several sites created specifically for fishing. The marinas which provide fishing access are privately owned. Public fishing sites include: Antioch Regional Shoreline in Antioch on the Sacramento River; Clifton Court Forebay in Italian Slough; Frank's Tract State Recreation Area (from boats only); Riverview Park in Pittsburg on the Sacramento River; and Riverview Lodge Pier in Pittsburg on the Sacramento River. Most of these fishing access sites are located in the Antioch and Pittsburg areas.

Two trail sites in Contra Costa County are: the Antioch Marina in Antioch along the San Joaquin River; and Marsh Creek Trail between Oakley and Brentwood along Marsh Creek, a five and a half mile long trail.

Seven yacht clubs are located within the Delta area of Contra Costa County; all are privately owned. They are located within the Secondary Zone of the Delta, primarily in Antioch and around Bethel Island.

Two public parks are located on the Delta waterfront. One is East Bay Regional Park District's Antioch Regional Shoreline in Antioch on the Sacramento River in the Secondary Zone, which includes facilities for picnicking and fishing. Another is the Barbara Price Marina Park in Antioch on the Sacramento River, also in the Secondary Zone, which contains picnic facilities and a public walkway. East Bay Regional Park District owns Browns Island and the western half of Big Break; neither site has any developed recreational facilities.

Franks Tract State Recreation Area and Big Break allow public hunting from boats during waterfowl hunting season. Franks Tract is located in the Primary Zone of the Delta and also allows fishing as well as hunting; hunting is allowed from permitted floating blinds and from boats. Big Break, near Oakley has been used for waterfowl hunting for many years; EBRPD will allow hunting to continue from floating blinds or boats. Private hunting clubs are located on Winter Island on Veale Tract.

San Joaquin County

San Joaquin County's Primary Zone lands are located in the southern and western sections of the Legal Delta covering about 190,000 acres, approximately 39 percent of the Primary Zone. The lands include the areas generally bound by I-5 to the west, Old River to the south, Old River and the Mokelumne River to the west and the Mokelumne River to the north. Waterways in the Primary Zone include: Bear Creek, the Calaveras River, the Deep Water Channel, the Middle River, the North and South forks of the Mokelumne River, Old River, and the San Joaquin River. Islands and tracts in the Primary Zone include: New Hope Tract, Canal Ranch, Brack Tract, Terminous Tract, Staten Island, Bouldin Island, Venice Island, Empire Tract, King Island, Mandeville Island, Medford Island, Rindge Tract, McDonald, Bacon Island, Lower and Upper Jones Tract, Lower, Middle, and Upper Roberts Islands, Union Island, Fabian Tract, Woodward Tract, and Victoria Island. Much of the City of Stockton is located in the Secondary Zone, with some City lands on Roberts Island in the Primary Zone.

Numerous marinas are located within the County boundaries; all of these marinas are privately owned and operated. "Small" marinas contain 50 or fewer berths. There are six small marinas which range from ten to 43 berths. Four of these marinas are located in the Primary Zone of the Delta; two are located within the Secondary Zone. These marinas are scattered throughout the Delta: one on the Middle River, two on the San Joaquin River, two on the South Fork of the Mokelumne River, and one on the Deep Water Channel.

"Medium" marinas contain between 50 to 200 berths. Eight medium marinas are located in the Primary and Secondary Zones of the Delta. Several are on the banks of the San Joaquin River and the Deep Water Channel; others are on Little Potato Slough, Disappointment Slough, Fabian and Bell Canals, Turner Cut, and Whiskey Slough.

"Large" marinas contain more than 200 berths. Five large marinas are located in the Primary and the Secondary Zones. These large marinas range from 201 to 700 berths. Three of these marinas are located in the Primary Zone of the Delta bordering Honker Cut and Disappointment Slough, Potato Slough, and Turner Cut. The other two are located within the Secondary Zone of the Delta and are located on Disappointment Slough and Fourteen Mile Slough. The largest marina, Village West, with 700 berths, is located on Fourteen Mile Slough in the City of Stockton. Three of these large marinas provide houseboat rentals: King Island Resort, Paradise Point Marina, and Herman and Helen's. All of the large marinas include picnic facilities and a boat launch ramp.

There are numerous launching facilities within San Joaquin County. Most of the marinas have launch ramps. Public boat launch facilities include: Morelli Park in Stockton on the Deep Water Channel; Buckley Cove Park in Stockton on the Deep Water Channel; Dos Reis Park in the Lathrop Area on the San Joaquin River; Louis Park in Stockton on the Smith Canal; and Mossdale Crossing in Lathrop on the San Joaquin River. Many of these

publicly owned sites include other recreational facilities for picnicking, fishing, camping, and hiking.

Tent and RV camping sites are located in the Delta area of San Joaquin County. Most of the camping areas are privately owned and located in marinas; however, there are several publicly owned sites, including Dos Reis Park in the Lathrop Area on the San Joaquin River with 26 camping sites, launch ramps, picnicking sites and fishing access; and Westgate Landing on Terminous Island by the Mokelumne River which has 14 camping sites, 30 berths, picnicking areas, and a fishing pier. The largest camping area is in Tower Park on Terminous Island on Little Potato Slough with 400 camping sites, 390 berths, a launch ramp, and picnicking sites.

There are quite a number of picnic areas located within the San Joaquin County portion of the Delta in privately owned marinas and in publicly owned parks. Public picnicking areas are located at American Legion Park in Stockton, Buckley Cove Park in Stockton on the Deep Water Channel, Dos Reis Park in the Lathrop Area on the San Joaquin River, Mossdale Crossing in Lathrop on the San Joaquin River, and at Westgate Landing on Terminous Island on the Mokelumne River. Marinas which offer picnic facilities to berthers include: King Island Resort, Mossdale Marina, New Hope Landing, Paradise Point Marina, Stephens Anchorage, Tiki Lagun, Tower Park, and Windmill Cove.

Formal fishing access is located at six locations in San Joaquin County, although many people fish at the side of public roadways and from levee banks. Most formal fishing access is located in publicly owned parks or wildlife areas in the Secondary Zone of the Delta. White Slough Wildlife Area on Terminous and Shin Kee Tracts is a specially designated 272 acre wildlife area managed by the Department of Fish and Game which allows fishing access, hunting, and hiking. Other formal fishing access areas are in American Legion Park, Buckley Cove Park, Dos Reis Park, Fritz Grupe Park, and Westgate Landing.

There are four trails in the Delta area, including: the Bike and Jog Path in Stockton on the Calaveras River, Louis Park in Stockton on the Smith Canal, Van Buskirk Park in Stockton on Walker Slough, and White Slough Wildlife Area on Terminous and Shin Kee Tracts. All of these trails are publicly owned and managed.

Eleven yacht clubs were inventoried in San Joaquin County; all are privately owned and operated. These Yacht Clubs are located throughout the Primary and Secondary Zones of the Delta but many are located on the banks of the Deep Water Channel.

Eight Public Parks are located on the waterfront areas. The City of Stockton sites include: Buckley Cove Park, Fritz Grupe Park, Louis Park, McLeod Park, and Van Buskirk Park. Other County-owned public parks include: Dos Reis Park, Mossdale Crossing Park, and Westgate Landing. Westgate Landing is located in the Primary Zone. These parks provide fishing access, camping facilities, picnicking facilities, trails and/or launch ramps.

Two special wildlife facilities are founded in San Joaquin County. One of these facilities is White Slough Wildlife Area on Terminous and Shin Kee Tracts. This area is owned by the Department of Water Resources and managed by the State Department of Fish and Game. Department of Fish and Game allows fishing access, hunting, and provides a trail. The other facility is the Woodbridge Preserve on Brack Tract by Hog Slough, owned and managed by the State Department of Fish and Game and as seasonal Sandhill crane habitat. The Department allows wildlife viewing with a docent.

DESCRIPTION OF RECREATIONAL FACILITIES BY TYPE

This section of the inventory describes the recreational facilities in the Primary Zone, in the Secondary Zone, and directly adjacent to the Legal Delta by type. The same data collection methodology used to prepare the geographic description of recreation facilities (county by county) was used for this section (see attached list of sources). The written description is followed by charts and by maps which illustrate the location of the recreation facilities deltawide. In the charts, the facilities are grouped by County. The types of facilities are listed in alphabetical order.

Camping and Picnic Sites.

Camping sites are located throughout the Delta, often in association with larger park or resort facilities. Some smaller facilities offer a limited number of camping sites. Forty-three facilities offer camping. Many of the larger marinas in the Delta area provide a "suite" of recreational facilities to provide for a variety of recreational activities during a vacation or visit. For example, a marina will often provide berths, a launch facility, camping sites, picnic and barbecue facilities, fishing access and water access.

Examples of this type of multi-use facility include Delta Marina, Sandy Beach Regional Park, Snug Harbor, Sherwood Harbor Resort, B & W Resort, Brannan Island State Park, Bruno's Island Yacht Harbor, Delta Bay Club, Delta Isle, Duck Island RV Park, Eddo's Harbor and RV Park, Freeport Marina, Happy Harbor, KoKet Resort, Lighthouse Resort, Martin's Sherman Lake Marina, Outrigger Marina, Owl Harbor, Rancho Marina, Vieira's Resort, Meaders Resort, Bethel Harbor, Delta Resort, Frank's Marina, Russo's Marina, Orwood Resort, Dos Reis Park, Tiki Lagun, Tower Park Marina, Tracy Oasis Marina, Turner Cut Resort, Westgate Landing Park, Whiskey Slough Harbor, and Windmill Cove Marina and RV Park. Most of the larger marinas and resorts that provide camping are located in the Primary Zone of the Delta. Facilities at private marinas are available to tenants and their guests, not the general public. In addition, some of the resorts are managed as private clubs, with use by members only. It should be noted there are very few other options for overnight lodging in the Primary Zone. Some of the larger public marinas have facilities available to the general public, such as trails and picnic areas.

As noted above, picnic facilities are often provided as part of a suite of improvements at a larger facilities inviting several days stay. Of these sites, 24 are located in the Primary Zone and nine are in the Secondary Zone.

In addition, 21 public day use facilities provide picnic tables as part of a suite of improvements aimed at boaters and fishermen. Most of the following sites are public, or managed by a non-profit group and are available free or with a modest day use fee.

Picnic sites are located at: Western Railway Museum (Solano County), Rio Vista Public Fishing Access, Rio Vista Riverbank Fishing Access, Cliffhouse Fishing Access (Sacramento County), Cosumnes River Preserve, Discovery Park (Sacramento), Garcia Bend Park (Sacramento), Georgiana Slough Fishing Access (Sacramento County), Hogback Island Recreation Area (Sacramento County), Miller Park (Sacramento), Sherman Island Fishing Access (Sacramento County), Windy Cove (Brannan Island State Recreation Area), Tiscornia Park (Sacramento County), Barbara Price Marina Park (Antioch), Antioch Muni Boat Ramp, Antioch Regional Shoreline, Riverview Park (Pittsburg), American Legion Park (Stockton), Buckley Cove Park (Stockton), Dos Reis Park (San Joaquin County), and Mossdale Crossing Park (San Joaquin County).

Five day use sites with picnic facilities are located in the Primary Zone, ten in the Secondary Zone, and six outside the Legal Delta. Many of the facilities are in Sacramento and Stockton, areas with large populations that want access to the waters of the Delta.

Fishing Access.

Formal fishing access on the shoreline is provided at a number of locations in the Primary Zone, the Secondary Zone and adjacent to the Legal Delta. In addition, many fishermen fish from their boats and many people fish from the banks of the levees, adjacent to public roadways. The informal parking sites are not included in this inventory.

Fishing is provided in a number of the larger marinas, again as part of a suite of improvements for recreational users. In addition, many public day use facilities emphasize fishing access and facilities. The day use facilities with fishing access include: Sandy Beach Regional Park, Rio Vista Public Fishing Access, Rio Vista Riverbank Fishing Access, Clarksburg Public Fishing Access (Solano County), Brannan Island State Recreation Area (Brannan Island, Sacramento County), Cliffhouse Fishing Access (Sacramento County), Delta Meadows River Park (Locke), Discovery Park (Sacramento), Garcia Bend Park (Sacramento), Georgiana Slough Fishing Access (Sacramento County), Hogback Island Recreation Area (Sacramento County), Miller Park (Sacramento), Sherman Island Fishing Access (Sacramento County), Tiscornia Park (Sacramento County), Antioch Marina, Antioch Municipal Boat Ramp, Antioch Regional Shoreline, Riverview Lodge Pier (Pittsburg), Riverview Park (Pittsburg), Clifton Court Forebay (Contra Costa County), Buckley Cove Park (Stockton), Dos Reis Park (San Joaquin County), Fritz Grupe Park (Stockton), Louis Park (Stockton), Westgate Landing Park (San Joaquin County), and White Slough State Wildlife Area (San Joaquin County).

There are also several water-covered areas owned and managed by public agencies which are available for fishing from boats only. These include: Big Break and Browns Island (Contra Costa County/EPRPD), Franks Tract (Contra Costa County/State Parks), and Sherman Island Waterfowl Management Area (Sacramento County/DFG).

The distribution of fishing access sites includes 22 sites in the Primary Zone; 12 in the Secondary Zone; and six outside the Legal Delta. The sites outside the legal Delta are in: Rio Vista (3) , and Sacramento.

Sites in the Secondary Zone are in: West Sacramento (1); Sacramento (1); Isleton (1); Antioch (3); Pittsburg (2); Stockton area (3); and Lathrop area (1).

Historic Sites in the Primary Zone of the Delta.

A number of sites in the Primary Zone on the National Federal Register or listed as a California Registered Historical Landmark are described; sites in the Secondary Zone are **not** included in the inventory. All but one of the sites are in **Sacramento County**. Near Hood is the Rosebud Ranch, with a privately owned historic home. The entire Town of Locke is designated; Locke is the only rural Chinese community in the United States. The community is in private ownership; there are no plans for renovation. Locke is a well-known visitor destination and includes an old schoolhouse, a small museum, restaurants, art galleries, and shops. Near Locke, Delta Meadows, has been listed recognizing the remnants of a Miwok village on one of the offshore islands. Within Walnut Grove, three neighborhoods on the east side of the River are designated: Japanese-American Historic District, the Chinese American Historic District, and the Commercial/Residential Historic District. In addition, the Gauken Hall and the Imperial Theater have been listed. These areas are in private ownership. In Isleton, the Chinese and Japanese Commercial Districts are designated; these areas are privately owned.

Two sites in the Primary Zone are listed as California Points of Historical Interest. On Grand Island, the River Mansion is privately-owned but is available for rental for special events, serves Sunday brunch, and now has a limited number of rooms available for overnight stays. In Walnut Grove the Jean Harvie School is now a community center, owned and operated by Sacramento County.

The Western Railway Museum, is outside the Legal Delta in **Solano County**, but provides a starting point for excursion rail trips that travel into the Primary Zone. The Museum is a designated historic site.

Hunting.

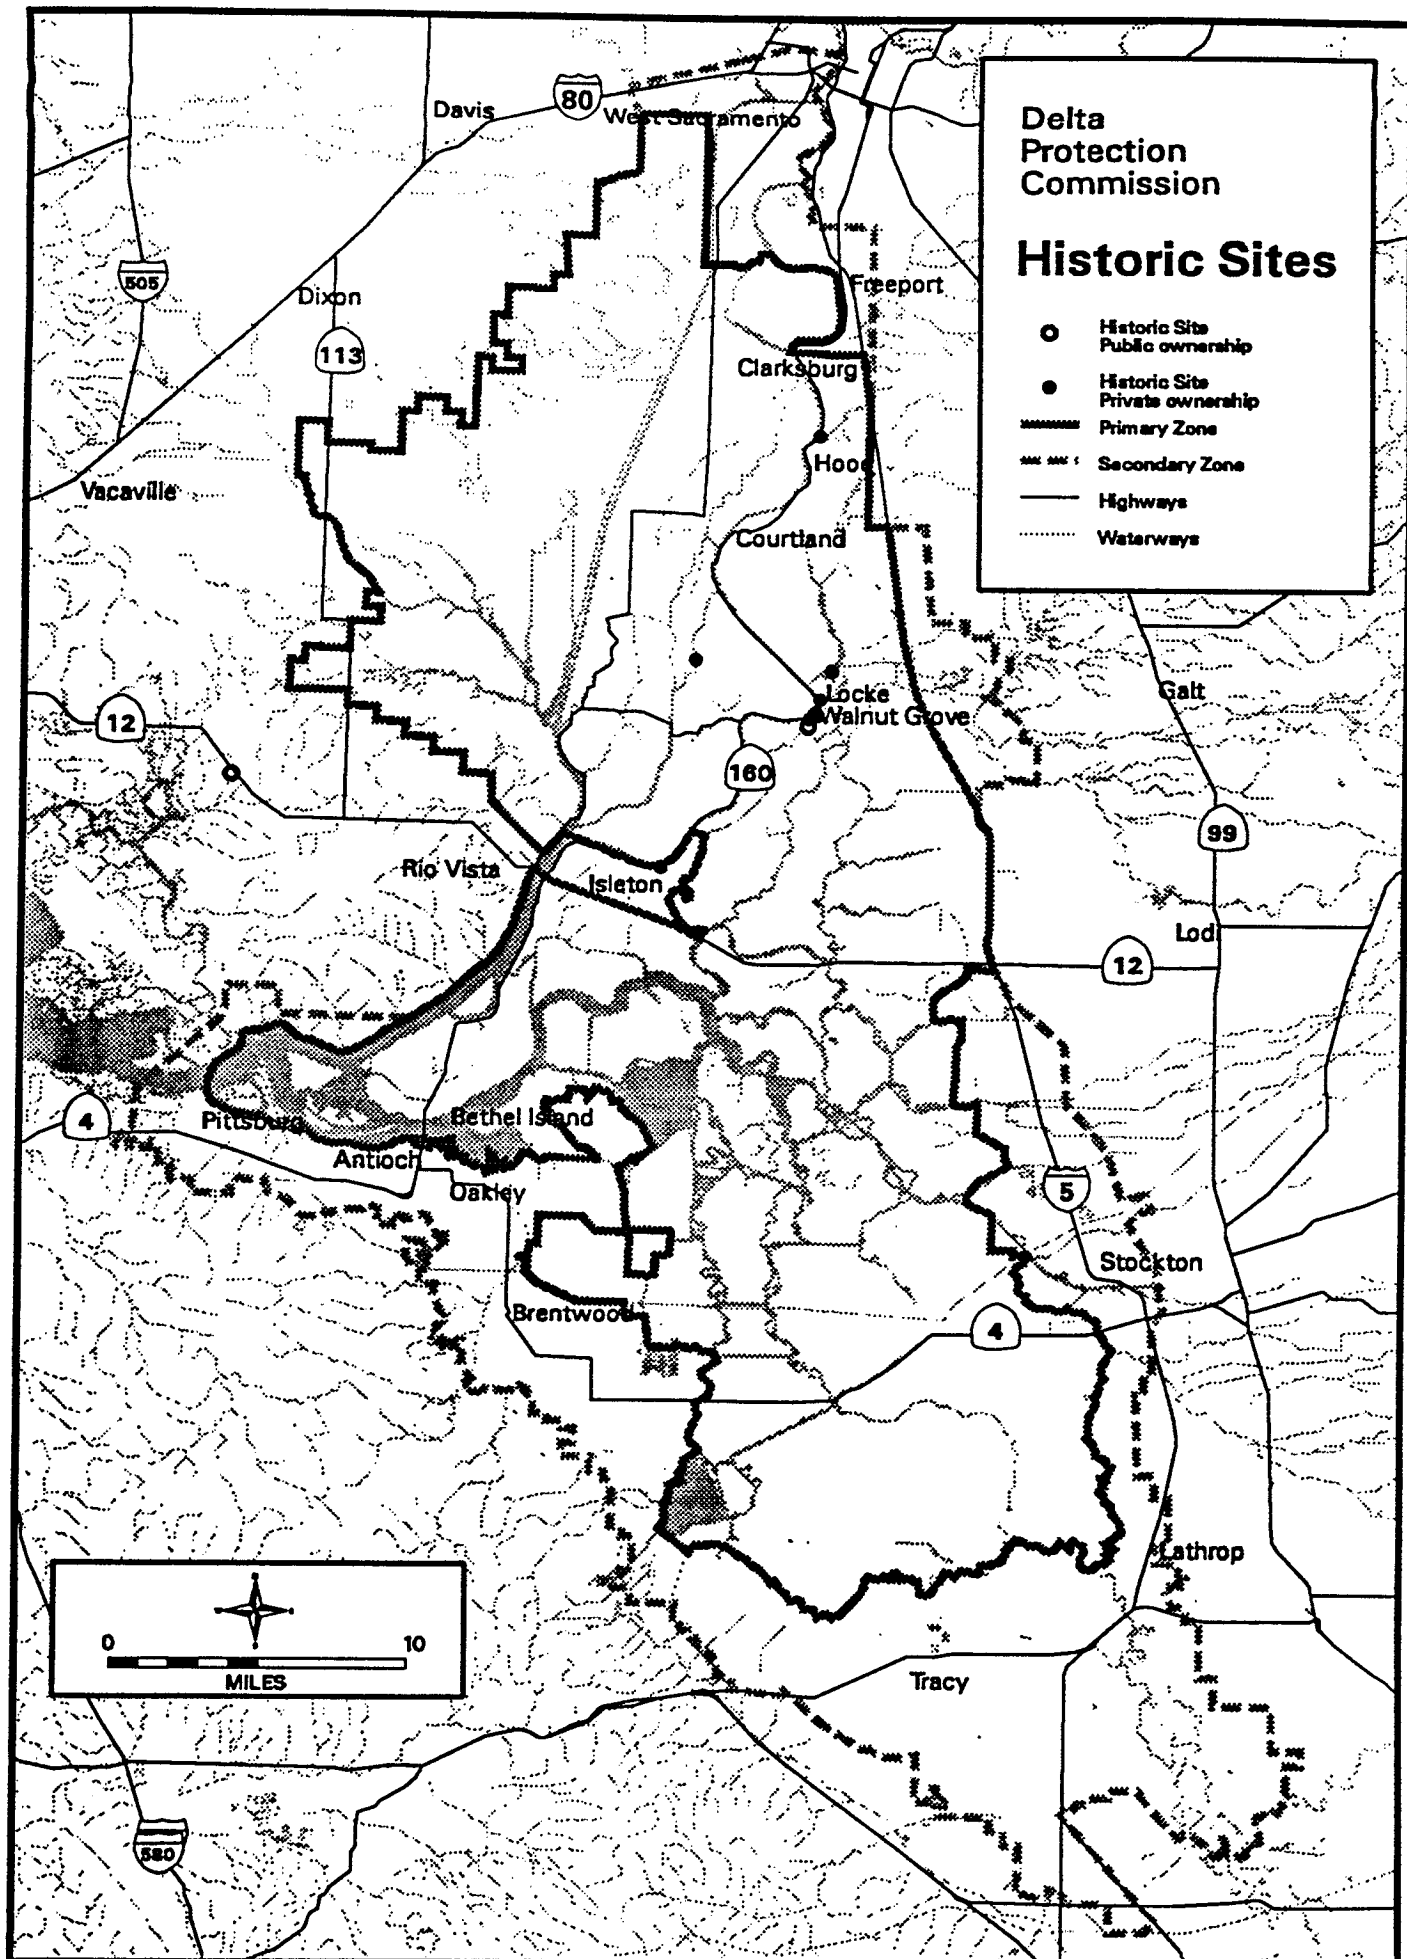

Hunting is an activity which has long been associated with agricultural lands in the Primary Zone. Seasonal hunting on privately owned agricultural lands continues without any formal improvements or approvals. Hunting on private lands is allowed only with the permission of the landowner.

In addition to informal hunting, there are many hunting clubs in the Primary Zone. Most of the clubs are duck clubs, although there are some clubs which specialize in upland game bird hunting. The listing of duck clubs and hunting clubs is incomplete; records are limited. Hunting and duck clubs are open to members and their guests only. There are a

large number of duck clubs in the Yolo Bypass area of **Yolo County** in the Primary Zone. The inventory lists a few additional duck clubs in other areas of the Primary Zone.

The only land area in the Primary Zone available for public hunting is the White Slough State Wildlife Area. Publicly owned water-covered areas available for public hunting include: Sherman Island Waterfowl Management Area (Sacramento County); Franks Tract (Contra Costa County); and parts of Big Break (Contra Costa County).

Launching Facilities.

Boat launch facilities are an amenity found in almost every public and private marina in the Delta area. (Most marinas provide at least one launch ramp; a concrete "driveway" into the water where a boat on a trailer is backed into the water, then allowed to float off.) Most launch ramps also provide a dock to secure boats after they are launched. Some other marinas provide a launch sling from a crane-type structure, or a hoist on a truck. These facilities are sometimes provided if there is inadequate space for a launch ramp, or if there is a large storage facility on site and using a truck eases launching of boats stored on site.

In addition to launch facilities in public and private marinas, there are a number of publicly owned boat launching facilities. These launch facilities are often used by day users, such as water-skiers, to launch personal watercraft, or by fishermen. Fishermen particularly like to have access to launch facilities early in the morning.

Boat launch facilities include: Sandy Beach Regional Park (Rio Vista), Rio Vista Fishing Access, Broderick Boat Ramp (West Sacramento), Clarksburg Public Fishing Access (Yolo County), Brannan Island State Recreation Area, Discovery Park (Sacramento), Hogback Island Recreation Area (Sacramento County), Miller Park (Sacramento), Sherman Island Fishing Access (Sacramento County), Tiscornia Park (Sacramento County), Antioch Municipal Boat Ramp, Clifton County Forebay (Contra Costa County-during hunting season only), Buckley Cove Park (Stockton), Dos Reis Park (San Joaquin County), Louis Park (Stockton), Morelli Boat Ramp Park (Stockton), and Mossdale Crossing Park (San Joaquin County). There is often a fee charged for use of these public launch ramps.

Of these public boat launch facilities, five are in the Primary Zone, six are in the Secondary Zone, and six are out of the Legal Delta.

Marinas.

Marinas are found throughout the Delta, in the Primary Zone, the Secondary Zone, and outside the Legal Delta adjacent to the waters of the Primary Zone. Marinas in the Delta area range in size from six berths to 700 berths. They vary widely in age, in level of maintenance, and in type and number of amenities and improvements. For discussion purposes, in this inventory the marinas are grouped by size: Small Marinas are less than 50

berths, Medium Marinas with between 50 and 200 berths, and Large Marinas, with over 200 berths. Note there are a lot of inconsistencies in various sources regarding the number of berths in Delta marinas. Every attempt has been made to use the most recently available information regarding the number of berths.

The total number of marinas in the inventory is 105-- 47 in the Primary Zone, 52 in the Secondary Zone, and 6 outside the Legal Delta. The marinas have a total of 12,121 berths-- 4,573 in the Primary Zone, 6,408 in the Secondary Zone, and 1,140 outside the Legal Delta.

Small Marinas: Under 50 Berths

The inventory includes 43 small marinas; 21 in the Primary Zone, 20 in the Secondary Zone and two outside the Legal Delta. Also included in the Small Marina inventory are Brannan Island State Recreation Area in Sacramento County and San Joaquin County's Westgate Landing Park. These two facilities do not conform to the usual description of "marinas" because the berths are not rented long term. The slips are available for short-term rental to park visitors.

The largest number of small marinas are located in **Contra Costa County**, in the Bethel Island/Hotchkiss Tract area in the Secondary Zone of the Delta. Many of these very small marinas are old and have limited access, parking, and amenities, although some have been upgraded and modernized. The small marinas in this area range in size from seven berths to 46 berths. Two small marinas are located in the Primary Zone: Lindquist Landing between Holland and Veale Tracts, has received approval to expand from the existing 14 berths to 37 berths and Lazy M Marina near Clifton Court Forebay.

There are 14 small marinas in or adjacent to the Primary Zone of the Delta in **Sacramento County**. Twelve are located in the Primary Zone. Two are outside the Legal Delta and provide access to the Delta waterways. Half of the small marinas are located on Andrus Island and range in size from 18 to 47 berths. Two small marinas are located on Brannan Island and two in Walnut Grove. One small marina is located on Sutter Island.

Eight small marinas are located in **San Joaquin County**, six in the Primary Zone and two in the Secondary Zone. The small marinas have a wide distribution throughout San Joaquin County. The small marinas range in size from ten berths to 43 berths.

Two small marinas are located in **Yolo County**. The Clarksburg Marina with five berths is in the Primary Zone. Stan's Yolo Marina, with 20 berths, is located in West Sacramento in the Secondary Zone.

There are a total of 938 berths in the 43 small marinas in the inventory: 518 in the Primary Zone; 381 in the Secondary Zone; and 39 outside the Legal Delta.

Medium Marinas: Between 50 and 200 Berths.

The inventory includes 40 medium sized marinas; 18 in the Primary Zone; 20 in the Secondary Zone and two outside the Legal Delta. Of the medium sized marinas, all are privately owned.

The largest number of medium sized marinas, 14, are located in **Sacramento County**. Nine are located in the Primary Zone, three are in the Secondary Zone and two are located outside the Legal Delta. One of the marinas is located in Locke, one in Walnut Grove, there are three medium marinas on Sherman Island, and there are four on Andrus Island. The medium marinas in Sacramento County range in size from 59 to 180 berths.

There are twelve medium marinas in **Contra Costa County**; two are in the Primary Zone, and ten are in the Secondary Zone. Seven of the marinas are in the Bethel Island/Hotchkiss Tract area of the Secondary Zone, with three located in Antioch. The marinas in the Primary Zone are located on Orwood Tract and on Veale Tract. The marinas range in size from 52 to 160 berths.

There are nine medium sized marinas in **San Joaquin County**. Five are located in the Primary Zone and four are located in the Secondary Zone. The marinas in the Primary Zone are located on Empire Tract, King Island, Fabian Tract, Stockton and two on Roberts Island. The medium marinas in the Secondary Zone are all located in Stockton.

Three medium sized marinas are located in **Yolo County**, all in West Sacramento in the Secondary Zone.

Two medium sized marinas are located in **Solano County**. Both are located in the Primary Zone, one on Prospect Island and one on Ryer Island.

There are a total of 4,321 berths in the 40 medium marinas: 1,966 in the Primary Zone; 2,082 in the Secondary Zone; and 273 outside the Legal Delta.

Large Marinas: Over 200 Berths.

The inventory includes 22 large marinas; eight in the Primary Zone, 12 in the Secondary Zone, and two outside the Legal Delta. Of the large sized marinas, three are public marinas: Sacramento Marina, Antioch Marina, and Pittsburg Marina. The large marinas are fairly equally distributed between Contra Costa (eight), Sacramento (seven), and San Joaquin (six) Counties. One large marina is located in Solano County.

Of the eight marinas in **Contra Costa County**, all but one are located in the Secondary Zone in Antioch, Oakley, Hotchkiss Tract, Bethel Island, and Discovery Bay. The

Holland Riverside Marina with 232 berths is located in the Primary Zone on Holland Tract. The large marinas range in size from 203 to 722 berths.

The seven large marinas in **Sacramento County** range in size from 160 to 553 berths. Four large marinas are located in the Primary Zone, all on Andrus Island. Two large marinas are located in the Secondary Zone on Brannan Island and in Isleton. One large marina, the Sacramento Marina, is located outside the Legal Delta in the City of Sacramento.

There is one large marina in **Solano County**, the Delta Marina in Rio Vista just outside the Legal Delta.

There are a total of 6,862 berths in the 22 large marinas: 2,089 in the Primary Zone; 3,945 in the Secondary Zone; and 828 outside the Legal Delta.

Trails and Paths.

There are trails and paths in the Delta, however, most of the trails and paths are in the Secondary Zone. The trails are either within a park or wildlife area, or along a shoreline in an urban area in the Secondary Zone or out of the Legal Delta. All the trails and paths described here are public facilities, although some private marinas have trails within their property.

In **Solano County**, the public fishing and access sites in the City of Rio Vista include shoreline trails/paths. In addition, within the Jepson Prairie Preserve, there is a self-guided, loop wildlife observation trail.

In **Sacramento County**, the parks and recreational areas include trails and paths. In addition, the City of Sacramento has recently approved a master plan which will eventually result in continuous trail/path access along much of the Sacramento River and the American River. There are trails within Brannan Island State Recreation Area. The Delta Meadows State Park has a trail along the old railroad right of way. The Cosumnes Preserve has nature observation trails. The latter two trails are available free at any time.

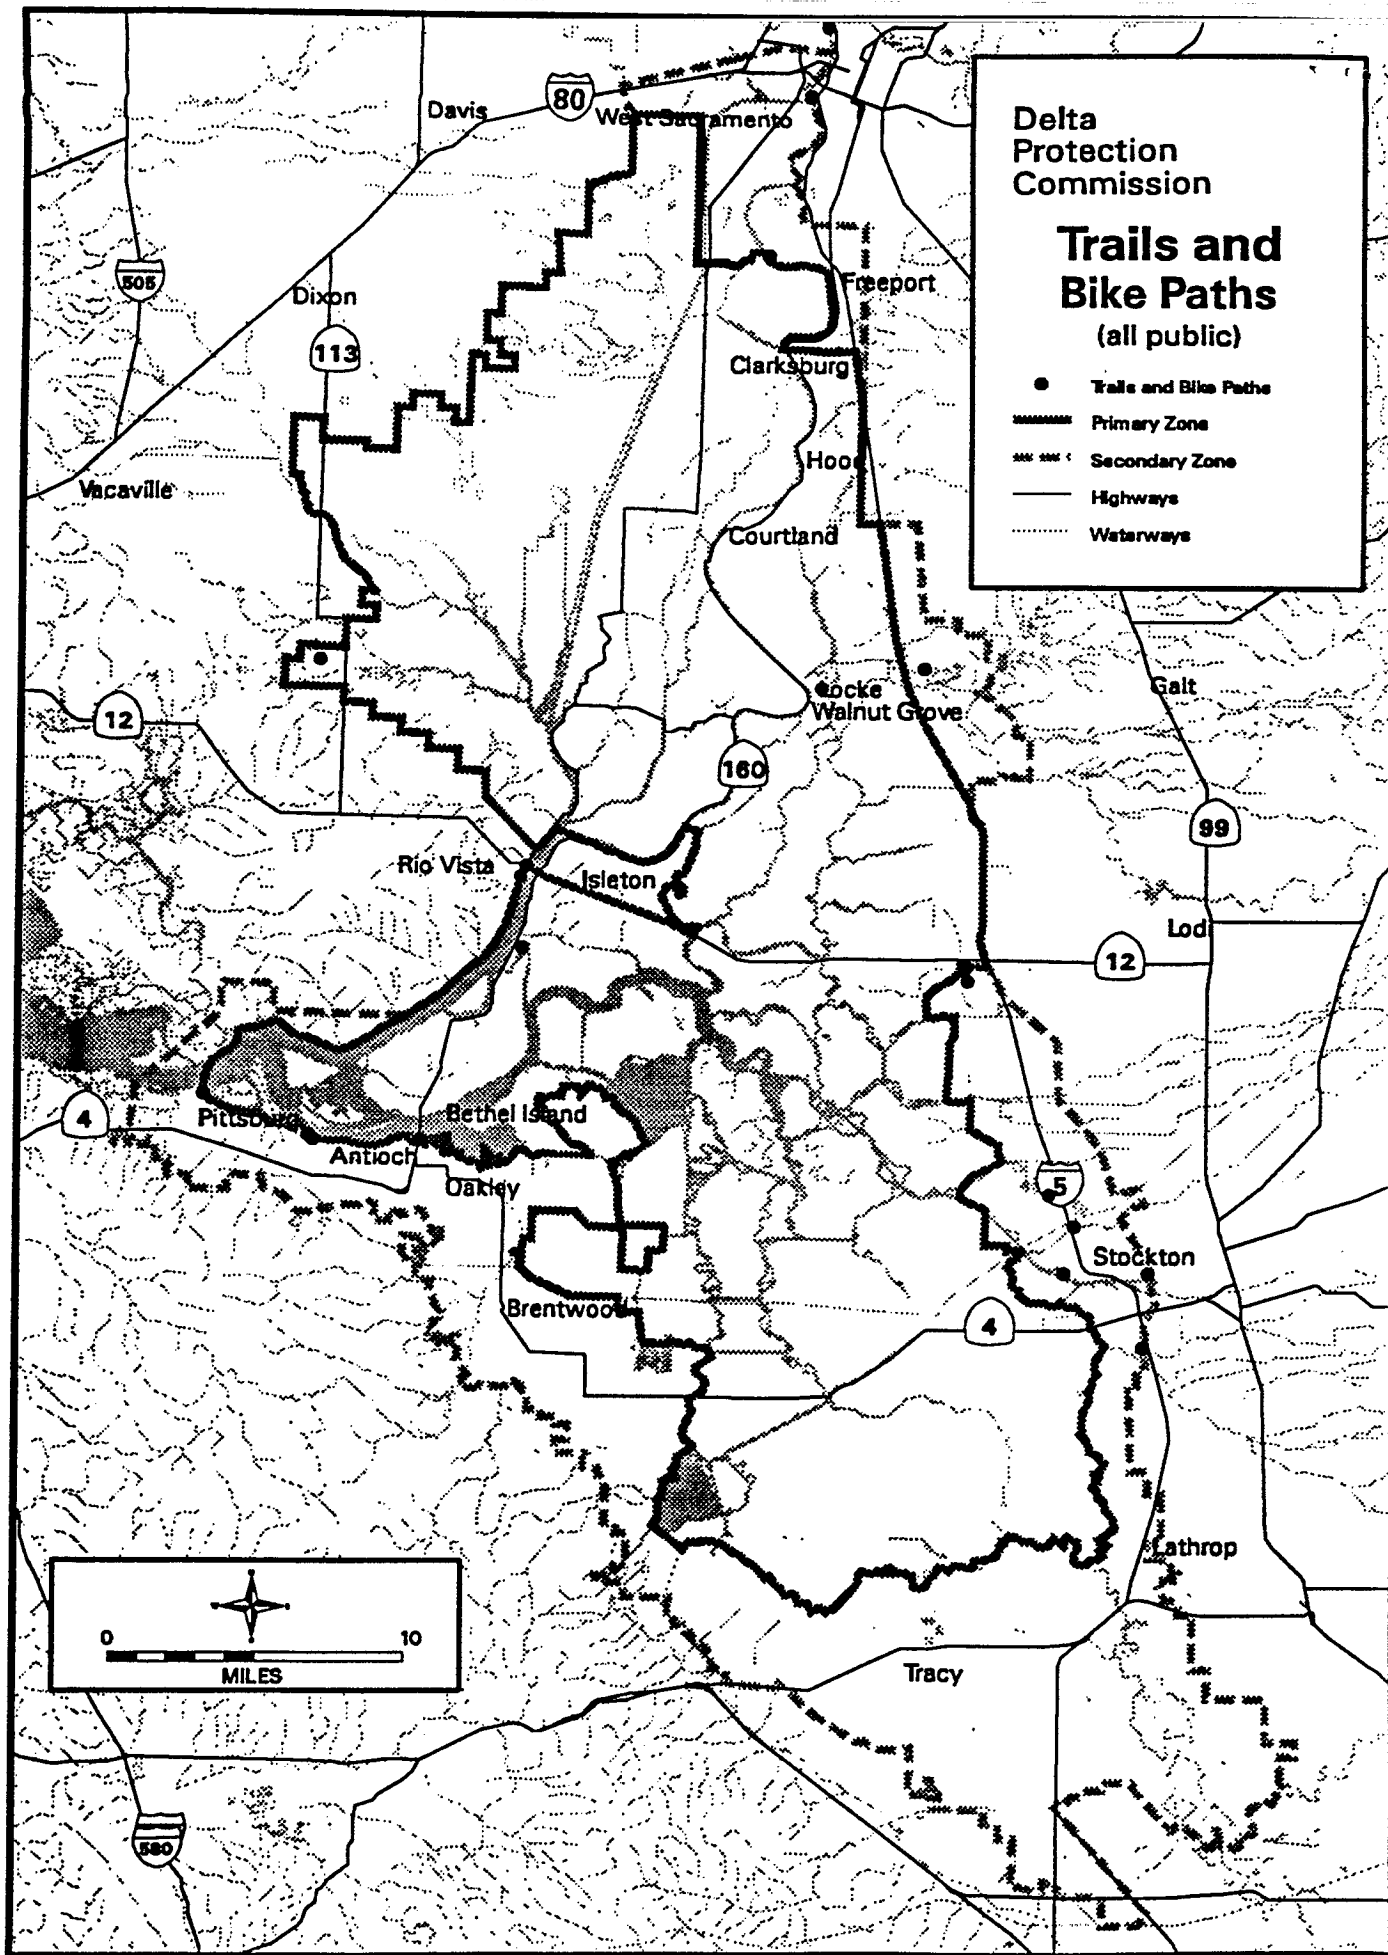

In **Contra Costa County**, the City of Antioch has prepared a waterfront master plan. The Marina, the Barbara Prince Marina Park and the Riverfront Promenade carry out the goals of the waterfront master plan for continuous shoreline access. The Pittsburg Marina also includes a waterfront paths. In addition, East Bay Regional Park District (EBRPD) has constructed Marsh Creek Trail which links the Contra Costa County northern shoreline to southern areas of the County and a small trail near the eastern edge of Big Break. EBRPD has plans to construct trails throughout the County linking to other regional trails.

The White Slough Wildlife Area in **San Joaquin County** has a trail for hiking and to provide fishing and hunting access. In the Secondary Zone, the City of Stockton has

constructed a number of parks adjacent to levees along the Deep Water Channel and other waterways. These parks include paths atop the levees to provide views and access for fishing. The City has also constructed a bike and jog path along the Calaveras River.

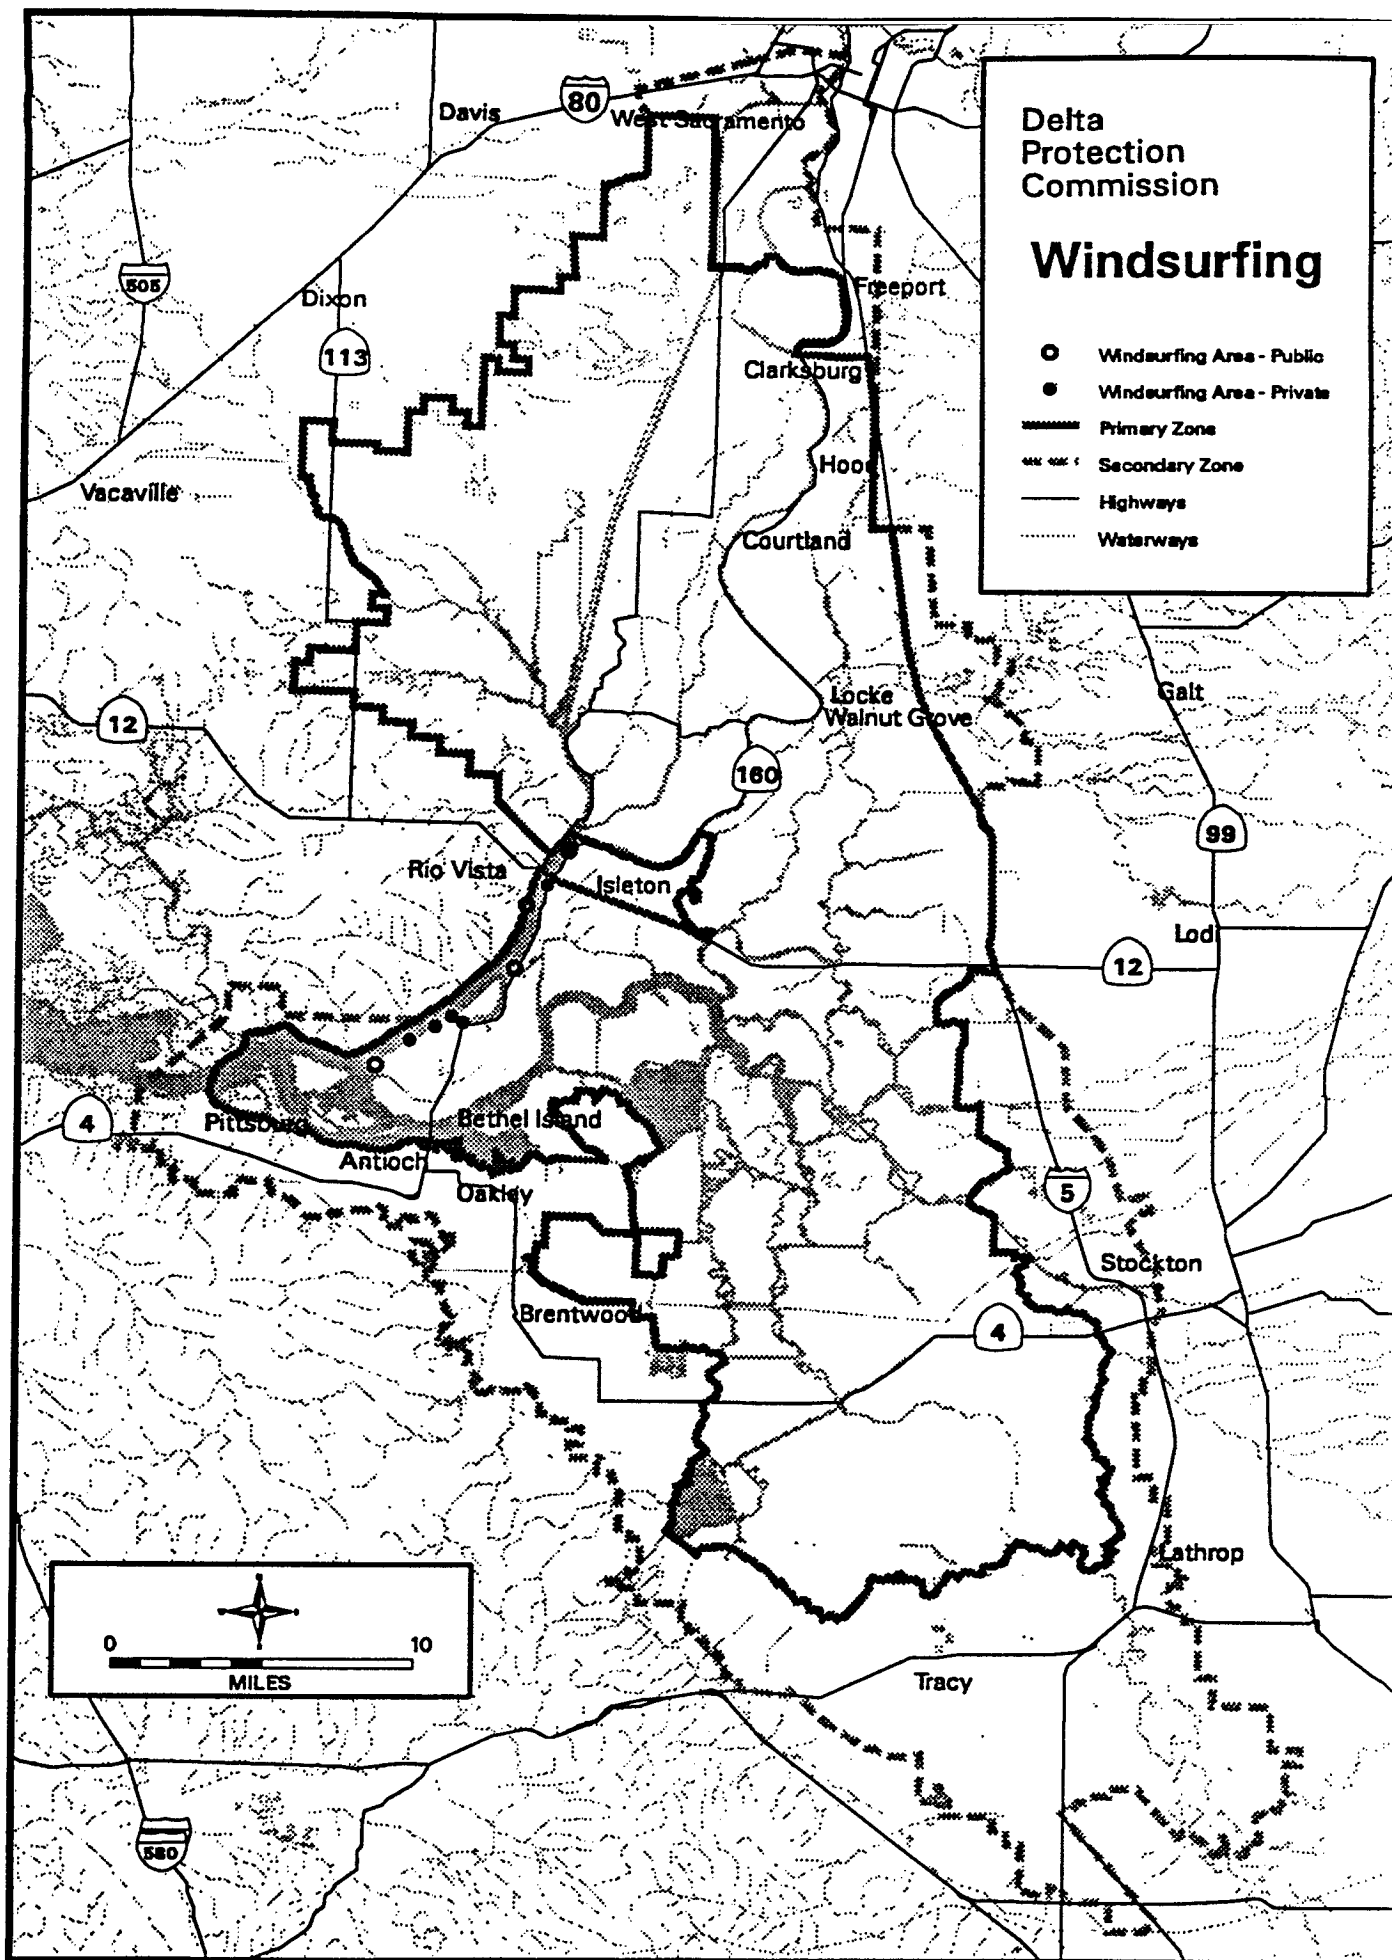

Windsurfing Access Sites.

The Sacramento River between Rio Vista and the tip of Sherman Island is well known as a windsurfing area. Windsurfing is a seasonal sport, when the weather is warm and the winds blow. The inventory identifies nine windsurf access sites in **Sacramento County** and one in **Solano County**. Many of these sites are informal access areas, known to the windsurfers, but without improvements or support facilities. Windsurfers also access the water from Sandy Beach Regional Park (Rio Vista), Cliffhouse Fishing Access (Sacramento County), Delta Windsurf Company (Sherman Island), Windy Cove at Brannan Island State Park, and the Sherman Island Fishing Access. In addition, like fishermen, many windsurfers park alongside the public roads, particularly Highway 160 and Sherman Island Road to gain free access to the Sacramento River waters.
